

Epix40+ Prime Strobe LED bar 40" 390W Powerboost

- **Exclusive design will make you visible with style**
- **Integrated position light, R65 approved strobe light**
- **Epix40+ Prime Strobe reaches 776 m with powerboost (1 lux)**

Epix40+ Prime is characterised by a proprietary, sporty design developed with today's modern vehicles in mind. Approved R65 strobe lights ensure high visibility and a unique position light is fully integrated into the reflector. The dynamic ignition of the position light also gives the LED bar an impressive start-up. Epix+ offers all the desired functions in a LED bar, with maximised performance in E-approved mode and the option of powerboost for off-road use. The approved R65 strobe light contributes to clear marking when working on the road and provides increased safety in all weather conditions and at all times of the day. Specially developed, smart mounts provide great flexibility during installation and allow placement virtually anywhere on the vehicle.

SKU	334915249
1 LUX AT X METERS	458 m
ARTICLE GROUP ID	1142
DEPTH (MM)	61
DEPTHNO	61
E-MARKED	ECE R65
EFFECT	390 W (26 x 15 W LED)
EFFECT (THEORETICAL)	190
