

23rd January 2026

Reference: Substances in the Candidate List of Substances of Very High Concern (SVHC) published by the European Chemicals Agency (ECHA) and the UK Health and Safety Executive (HSE), and restricted substances under the RoHS Directive 2011/65/EU as amended.

The SVHC Candidate List was most recently amended on 5th November 2025 and includes a total of 251 substances.

The RoHS Directive restricts 10 substances (or substance groups) in electrical and electronic equipment.

Declaration:

rubberandsponge.com is a converter and fabricator of rubber, foam, and plastic materials into finished articles and components. We do not manufacture or compound the base materials we process.

Based on declarations received from our material suppliers, and to the best of our knowledge: None of the items supplied by us contain more than 0.1% (w/w) of any of the chemicals in the SVHC Candidate List, or any of the banned substances listed in the RoHS Directive.

This declaration is made in good faith based on information provided by our suppliers. Where we add processing materials (adhesives, coatings, etc.), these have also been assessed for compliance.

A handwritten signature in blue ink, appearing to read 'L D Hinton', is positioned above the printed name.
