

Maguire Boats Aerocet Price List 2025

Valid 07.07.25 for 30 days

All Aerocets come as standard with solid wings

A Sanded duropox finished hull

Boats come with all the fittings that directly attach to the hull only, no loose blocks.

All boats are supplied with the foils and gantry individually fitted and set up to the correct angle of attack.

All Aerocets come with a 12 month warranty, details can be found on the website.

We will provide first class after sales for spares and upgrades. We provide regatta support at the main international events to keep you on the water.
