

Painted kitchen cabinets option

We offer a painted kitchen cabinet option to 3 of our ranges:

- Traditional
- Rustic Farmhouse
- In-frame adjustable

We can paint in any Farrow & Ball, Dulux or any main brands colour range

The cost for this option is plus 55% to the cost of the cabinet for the work to have it painted and then £85 for your colour choice (**this will cover around 6 units**)

Please see below for a guide on how we paint the cabinets.

All cabinets are painted on the front frame, drawer front and the door is painted both sides.

The internals of the cabinet including the drawer are finished in a clear lacquer.

The outside sides of the cabinets are unfinished due to not being seen when attached to an adjoining cabinet.

An end panel will be needed for one side of the cabinet if located at the end of a run.
