Description

The armourdog rugged shoulder strap case with screen protector is the perfect solution for life's hard knocks. Whether using your tablet for line of business applications such as retail, hospitality, meet-and-greet, queue busting or just travelling, reading & watching videos, our swivel grip case with protect your valuable tablet from day-to-day use. The impact absorbent outer layer protects the tablet from knocks & bumps, whilst the screen protector helps protect against scuffs and scratches. There are cut-outs for the speakers and camera and charging ports. The rotating, adjustable size hand strap enables comfortable handling of the tablet. The integrated stand allows the tablet to be positioned in a portrait or landscape mode at an adjustable angle.

We pride ourselves on the top-quality materials used, which is why we back up our products with a 2-year manufacturing defect warranty.
