

Our secure 'LocPad pay' kiosk has been designed as a simple-to-install payment terminal, installed on your wall, free-standing desktop or floor mount. It's compatible with both SumUp and WisePad card readers and allows for a fast and simple payment experience. We're proud to work with Give A Little®, the leading point of donation software platform for contactless, Chip+PIN and online donations. Prices start from just £99. Tablet, card reader and software not included.

Low profile wall mount

£99

Free-standing desk mount

£139

Free-standing floor mount

£159

LocPad kiosks are constructed from Powder coated steel, aluminium, HD ABS and TPU. We include a dual USB power supply with 3 metre cables to charge both the tablet and card reader.

## OPTION 1 - Low profile wall mount

Designed to securely fix the LocPad kiosk to a flat surface with the least side profile possible. The mount includes a wall fitting kit and cable management.

### What's included for £99

- LocPad tablet enclosure
- Wall fitting kit
- Mount for SumUp or WisePad 3
- 2 x 3M USB power cables
- Dual USB power supply
- Price ex VAT & includes delivery
