Designed for all tablets

Might update your iPad or android tablet in the future? The Touch tablet holder supports all devices and is secured by 4 strong 3M Command Strip adhesives included with the stand.

SAMSUNG

Lenovo

amazon

ASUS

Cable Management

Easily charge your device with internal cable routing through the Touch bracket and down the stand.

Featuring a minimalist design with no external casing, your iPad or Android device is secured in place using strong 3M adhesives and an additional hex screw lock for added security.

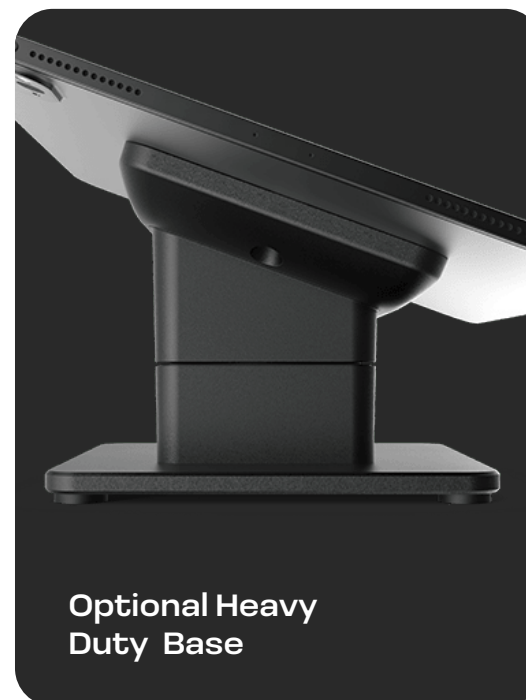

180° Swivel Movement

The Nexus stand includes a 180 degree swivel, which is perfect for customer facing Point Of Sale (POS) and kiosk stands. This stand also features a unique magnetic hold at each swivel point to keep your tablet in position. For a fixed option, a position lock is available to disable swivel movement.

Mounting Options

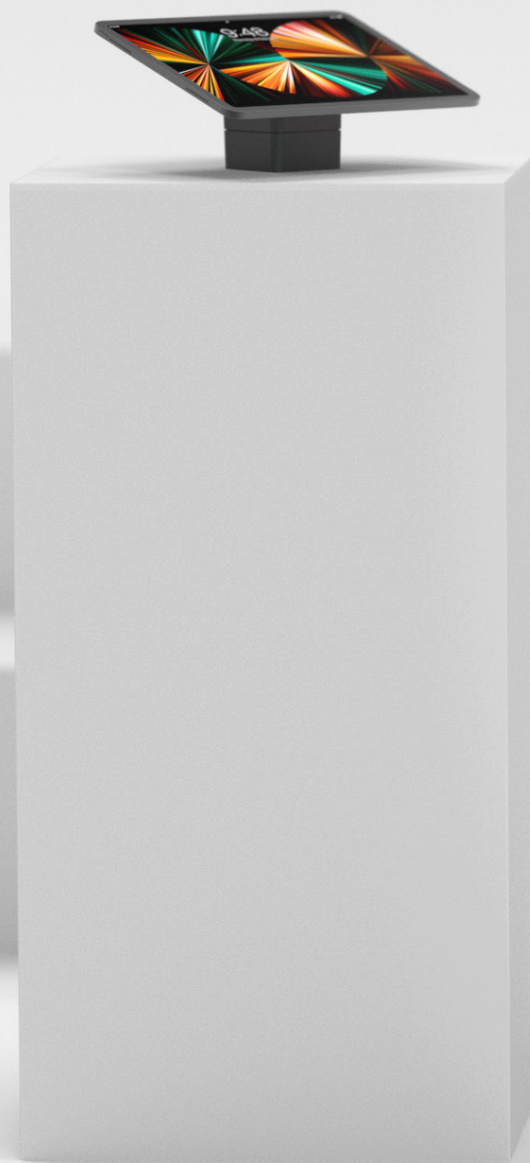

Desktop Mount

Screw Mount, Adhesive & Freestanding options.

Wall Mount

Screw Mount only.

Recommended counter height for the Touch Nexus

29.53" - 35.43" (75 - 90 cm)

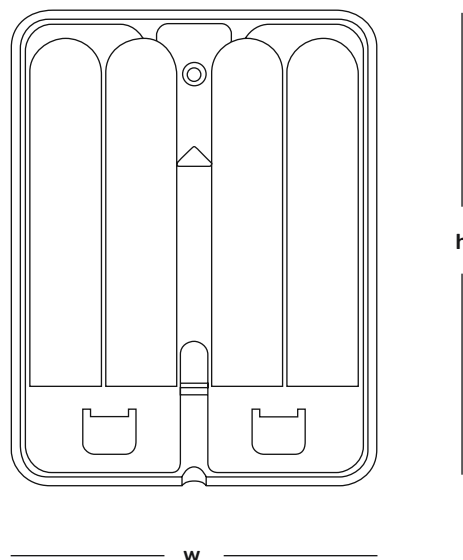

Perfect for customer facing
Point Of Sale (POS) and kiosk stands.

Custom Branding Solutions

Add your logo on the Touch Nexus with a silk-screen finish on our powder coated molded metal bases or adhesive tab branding on the front facing display.
