

Easy to use, the pneumatic scraper allows a fast and efficient work. Its different brushes allow it to be used in multiple surface stripping applications in automotive bodywork. Low heat generation during use does not produce toxic fumes and sticky materials do not soften or drip..

MULTIPLE APPLICATIONS

Perfect for cleaning:

- welds,
- coatings,
- foundations,
- stickers,
- painting of body panels,
- rust

- Good support thanks to its removable side handle
- Low noise level 86dB
- Low heat generation
