

DRINKWIZE

ALTERNATIVES TO GLASS WITHOUT COMPROMISE

Festivals & Events Summer 2026
Drinkware Collection

Introducing Drinkwize, we specialise in alternatives to glass.

Helping festivals and events deliver safe, sustainable and seamless bar experiences through the right drinkware choices.

From long-term reusables to biodegradable, recyclable options, we offer a range of sustainable choices.

Custom Branding

We offer a fully customisable print option, allowing businesses to take their branding to the next level.

Sustainability

A majority of our current client base adhere to sustainability practises. They trust us to deliver on these targets for them.

Recyclable Range

We ensure that our recyclable range adheres to the highest environmental standards. We offer biodegradable, recyclable and aqueous coated cups in order to have minimal impact on the environment.
