

Snifter - 520ml Beer Balloon

Product Code: BEERT516TR

This premium wine glass is crafted from unbreakable, BPA free Tritan, offering the clarity and elegance of traditional glass without the risk of breakage. Produced using an innovative blowing technique inspired by classic glassmaking, it delivers a crystal clear finish and a refined profile that enhances aroma concentration. Designed for versatility, it is suitable for sparkling, blended, white and red wines, and can also be used for spritz, making it a practical yet stylish choice for professional and everyday use.
