

CYCLONE 2

Patent No. 2464696

Stable and stylish, robust and refined.

- Double sided 40" x 60" poster display.
- Front opening aluminium snapframes for quick and easy poster change.
- White 'Framework' frame as standard – available printed or suitable for vinyl application.
- 700 micron PET poster covers give excellent clarity, fixed along top edge for ease of poster change.
- Steel cradle with hard wearing pivots, allowing panel to move in the wind (black finish only).
- Robust water fillable HDPE base for optimum stability (57 litre capacity).
- Round corners throughout for safety.
- Built in wheels for ease of movement.
- Purpose designed trolley available to assist in moving unit, and hose with tap connector for convenient base filling.

Front opening snapframes for quick and easy poster change.

Frames available printed or suitable for vinyl application.

Hard wearing pivots allow panel to move in the wind.

In stock

8 minutes to assemble and fill base
Ideally by 2 people

Recyclable

Aluminium frames, steel cradle, PET poster covers, polypropylene back panels and part recycled HDPE base

Poster Size	Display Area (w x h mm)	O/A Dimensions (w x h x d mm)	Weight (kg) Empty/Full	Order Code
