

## OptoLine D position light fiber optic with reflex

- ✓ Side marker / position light with fiber optic LED
- ✓ Replaces Talmu and Hella
- ✓ E marked with approved reflex

Ledson OptoLine D is a position light and side marker light that combines high visibility with modern design. The lamp is equipped with reflector and fibre optic LED technology that provides two continuous light lines for a stylish and distinctive look. The product is E-marked as a side marker or Position light with approved reflector, waterproof and compatible with both 12 V and 24 V. The CC measurement is 90 mm, the same as Talmu and Hella. Supplied with 3 metre cable and includes screws for mounting. Rubber gasket with perfect fit available as an accessory.
