

Epix5 Work Non-Glare Strobe

- ✓ Reduces eye strain and improves focus
- ✓ Strobe that features 5 different patterns
- ✓ Solid, robust housing with IP69K rating

Epix5 Work Non-Glare Strobe combines powerful work lighting with an integrated warning light in a compact and durable unit.

Thanks to the advanced Non-Glare optics, it delivers a focused and even beam pattern that illuminates the work area efficiently while minimising glare for the driver.
