

EPIX20+ Prime LED bar 20" 180W Powerboost

- ✓ Exclusive design will make you visible with style
- ✓ Epix20+ reaches 530 m at 1 lux with Powerboost
- ✓ Position light with unique dynamic ignition

Epix+ Prime stands out thanks to its unique, sporty design developed with today's modern cars in mind. A unique feature is the Position light, which is fully integrated into the reflector. Epix20+ Prime is also available as a package with a bracket and cabling. Epix20+ Prime is also available in a version with a strobe light. The dynamic ignition of the position light gives the ramp an impressive start-up. All the central functions of a LED bar are found in Epix+ Prime. Performance is maximised in E-approved mode, with the option of a power boost for off-road use. Proprietary smart mounts offer great flexibility for mounting on the vehicle.
