

Epix20+ Work Strobe LED bar 20" 180W

- ✓ Work bar with exclusive design and high performance
- ✓ Integrated position light, selectable red or yellow/orange
- ✓ Wide light dispersion and R65-approved strobe light

The Epix+ series stands out with its proprietary, sporty design tailored for modern vehicles. The Epix20+ Work Strobe is a work light bar with selectable red or yellow/orange position lights and R65-approved strobe lights for high visibility. The position lights are unique in that they are fully integrated into the reflector. The Epix20+ Work Strobe combines modern aesthetics with performance for demanding work environments. The 180 W output provides a work light with a range of 143 m at 1 lux and a wide 120° beam pattern, providing maximum light over large areas. With 11800 actual lumen and a colour temperature of 5000 K, it creates strong and natural lighting that facilitates work in varying conditions. Proprietary smart mounts provide great flexibility during installation and allow placement virtually anywhere on the vehicle.

SKU	334915124
AREA OF USE	Outdoors
ARTICLE GROUP ID	1142
BEAM PATTERN	Work light
BRIGHTNESS, ACTUAL (LUMEN)	11800
BRIGHTNESS, THEORETICAL (LUMEN)	15500
DEPTH (MM)	61mm
DEPTHNO	61
