

Orbix14+ LED bar 60W

- ✓ Orbix14+ makes you stand out
- ✓ Unique position light with dynamic ignition
- ✓ 375 m (1 lux) and 4500 actual lumen

Orbix14+ from Ledson is a single-row 14-inch LED bar with dynamic position lights that provide a clear visual impression and enhance the appearance of the vehicle. The E-marked Bar is designed to reinforce existing high beams with longer and wider range.

The dynamic position light turns on with a smooth sequence that moves the light from one side of the bar to the other before fully illuminating.
