

Epix5+ Work Strobe LED bar

- ✓ Incredibly wide 120 degrees light spread
- ✓ Choosable red or yellow-orange position light
- ✓ 10 strobe patterns, one R65-approved

The Epix+ series stands out with its unique, sporty design developed with today's modern vehicles in mind. The EPIX5+ Work Strobe is a work light bar with selectable red or yellow/orange position lights and approved R65 strobe lights that ensure high visibility. The unique position light is fully integrated into the reflector. The bar is also approved as both a reversing light and rear light in accordance with ECE R23 and ECE R148.
