

DEBUS NOX INTERNAL BLIND SET USER GUIDE

SCOPE

This user guide applies to the below NOX Internal Blind Sets only:

NOX Internal Blind Set – Black (DEB25007BLK)

NOX Internal Blind Set – Folium (DEB25007FOLIUM)

Designed to fit VW T5 to T6.1 Campervans only

Not suitable for campervans without rear view mirrors

CONTENTS

1 x middle windscreen panel

2 x side window panels

1 x storage bag

QUICK SET UP

- Open your NOX blind and separate the three panels.
- **NOTE – the side window panels are handed.** The left hand side window panel is identified with the Debus logo (the right hand side window panel does not have a logo).
- Fix the left hand side window panel to the inside of the door frame using the sewn in magnets. Ensure the Debus logo is facing the inside of the van (as shown in the images below):

- Repeat for the right hand side window
- With the poles facing in the inside of the vehicle; loosely place the middle panel against the inside of the windscreen. Ensure the slit opening is at the top of the windscreen (as shown in the image below):

- Use the sun visors to hold the blind in place.
- Adjust the blind to ensure the complete windscreen is covered. When in position, tuck the blind around the inside of the windscreen frame.

- Fix the blind around the rear view mirror using the sewn in magnets to secure in place (as shown in the image below).

- The blind should now be held in place (as shown in the image below). Shut both cab doors.

CARE FOR INSTRUCTIONS

To clean the cover; wash with warm water and a soft sponge.

DO NOT use detergent

DO NOT machine wash or tumble dry
