

DEBUS VAN MESH SLIDING DOOR NET USER GUIDE

SCOPE

This user guide applies to the Debus Van Mesh Sliding Door Net (DEB25010) only.

Designed to fit VW T5 to T6.1 campervans only

CONTENTS

- 1 x VanMesh
- 1 x storage bag

QUICK SET UP GUIDE

- Remove the VanMesh from the storage bag
- The black polyester with the Debus logo label identifies the bottom of the VanMesh
- Starting from the top corner; attach the magnets to the inside of the sliding door metal frame as shown below:

- Work your way around the door ensuring all magnets are attached to the inside metal frame as shown below:

- **IMPORTANT!** When attaching the magnets, ensure the door channel is free of material which could get caught when using the sliding door as shown below:

- The VanMesh can be opened and closed by using the middle zip.
- The VanMesh can be pulled to either side and attached to the side panel or door with the magnets as shown below:

CARE FOR INSTRUCTIONS

Let the VanMesh dry completely before placing it back in the bag provided
Clean off any dirt using a sponge and warm water.
Do not use detergent.
Keep away from sparks, flames, and other ignition sources.
