

DATASHEET

PRODUCT: 30mm ICode Slix PVC Disc Tag

Product Code: GRI021

Overview

This PVC disc tag is one of a family of passive, contactless, transponders designed for effective asset tagging. The tags have high frequency transponders that conform to the ISO 15693 ICode SLIX standard. They are designed to be used in a wide range of applications offering a robust tag that can stand up to most normal workplace environments.

Please note, this is a disc tag, not a sticker disc.
