DATASHEET

PRODUCT: 30x15mm On Metal Label (ICode)
Product Code: TRU104

Overview

High performance 3M adhesive backing with a durable PET face material makes this label an ideal choice for RFID tagging small metal assets.

Waterproof - suitable for outdoor use.

Specifications

Dimensions (mm)	30x15mm
Operating Temperature Range (°C)	-25°C to +65°C
Material	PET
Attachment Method	3M 9948, Adhesive backing
Applicable Surface Materials	On-Metal
Weight (g)	0.1g
Read Range	Depends on Reader
Chip Type	ICode
Frequency	13.56MHz
Protocol	ISO 15693
