**Placing a paw print in the middle of my food  
does not stake a claim for it**

The staircase was not designed as a racetrack. Beating  
me to the bottom is not the object - tripping me up  
doesn't help, as I fall faster than you can run

I can't buy anything bigger than a King size bed - and  
will not sleep on the couch to ensure your comfort

**If I am in the bathroom your attendance is not  
required as well**

*The proper sequence for expressing affection is:  
kiss me first, then go and smell the other dog's bum  
This cannot be stressed enough !*
