ABBREVIATIONS

ch	chain
dc	double crochet
sl st	slip stitch
tr	treble
3tr	triple treble
htr	half treble
dtr	double treble
rnd	round
tog	crochet stitches together

Note

The dreamcatcher is crocheted in rounds that are joined with a sl st. When the colour changes, finish the last sling with the new colour. Tie a knot and weave in the ends after finishing.

EXECUTION

Start with 10 ch in green, close ring with a sl st.
Rnd 1: 20 dc into the ring and follow the chart.

FINISHING

With pink, work dc around the metal ring, picking up a tip of the dreamcatcher after each 15 sts. Close round with a sl st, cut yarn and weave in ends. Arrange stitches evenly in the round.

Cut a piece of cardboard 8 x 8 cm and wrap it about 30 times with the colour you choose (pic 1 - 5).

Make tassels of about 8 cm length, 2 in orange and pink, 1 in green. Pull a thread of 20 cm through the top of the tassel, tie a knot (see instruction photos of the tassel), add 3 beads to each tassel and attach the tassels to the dreamcatcher. Attach a loop on top of the dreamcatcher, add 1 bead.
